## What We're Learning This Month...

**Literacy:** Scholars will be learning the role of the author and illustrator and begin tracking print. We will start our phonics program, Letterland, which will introduce letter sounds, shapes, and the program characters.

**Writing:** Scholars will learn the proper formation and handwriting for upper and lowercase letters.

**Math:** Scholars will be learning to compare numbers 0 to 5. Scholars will then begin counting and writing numbers 6 to 10.

**Science/ Social Studies:** Scholars will be learning about rules and routines in school and our classroom. Scholars will also be learning about what it means to be a good citizen and a good friend.
